

Potentially Hazardous Asteroid Workshop Participants

May 29, 2012, NASA Goddard Space Flight Center

NASA HQ:

- John Grunsfeld, Associate Administrator, Science Mission Directorate (SMD)
- Jim Green, Director, Planetary Science Division (PSD)/SMD
- Lindley Johnson, Near Earth Object Program Executive, PSD/SMD
- Jens Feeley, SMD
- Dwayne Brown, Office of Communications
- Victoria Friedensen, Human Exploration and Operations Mission Directorate (HEOMD)
- Bette Siegel, HEOMD

Jet Propulsion Laboratory (JPL):

- Don Yeomans, NEO Program Manager/Scientist
- Steve Chesley, NEO Orbit Analyst
- Paul Chodas, NEO Orbit Analyst
- Damon Landau, Mission Analysis
- Brian Wilcox, Robotics

Johns Hopkins Applied Physics Laboratory:

- Andy Cheng
- Cheryl Reed

Other organizations (attending):

- Rusty Schweickart, B612 Foundation
- Tom Jones, Association of Space Explorers
- Linda Billings, School of Media and Public Affairs, George Washington University

Participating via WebEx and telephone:

International:

- Sergio Camacho, NEO Working Group Chair, Scientific and Technical Subcommittee, United Nations Committee on the Peaceful Uses of Outer Space
- Andrea Milani, Near-Earth Objects – Dynamic Site (NEODys)
- Detlef Koschny, NEO Lead, Space Situational Awareness Preparatory Programme, European Space Agency (ESA)
- Ian Carnelli, ESA
- Andres Galvez, ESA
- Alan Harris, Project NEOShield Manager, DLR (German Aerospace Center)
- Line Drube, DLR
- Patrick Michel, Nice Observatory
- Craig Brown, Astrium
- Noah Saks, Astrium
- Marc Chapuy, Astrium
- Juan Cano, DEIMOS
- Gabriele Bellei, DEIMOS

US:

- David Morrison, NASA Ames Research Center (ARC)
- Julie Bellerose, NASA ARC
- Amy Mainzer, NASA JPL
- Bill Ailor, Aerospace Corporation
- Ed Liu, B612 Foundation
